Learn to Trade Pty Ltd (ACN:138178542, AFSL:339557) provides general information and educational courses and materials only. This is not an offer to buy/sell financial products. We do not provide personal advice nor do we consider the needs, objectives or circumstances of any individual. Financial products are complex and all entail risk of loss. Over-the-counter derivative and foreign exchange products are considered speculative because they are highly leveraged and carry risk of loss beyond your initial investment, hence should only be traded with capital you can afford to lose. Please ensure you obtain professional advice to ensure trading or investing in any financial products is suitable for your circumstances, and ensure you obtain, read and understand any applicable offer document
